Based upon completion of the above qualifications, member is certified to assume the duties of Vessel/Facility Security Inspection Team Leader for a Coast Guard Incident Response or MARSEC II and III Operations.

\_\_\_\_\_  
**Flotilla Commander**

I certify that I understand the demands that can be involved in a Coast Guard contingency operation or MARSEC II or III response, and I voluntarily submit my name to be called upon during such an event. I acknowledge that completion of the MTSA training, and involvement in the Vessel/Facility Security Inspection Team, is a significant time commitment, beyond that normally expected of an Auxiliarist.
